BI-MONTHLY VCMS NEWSPAPER ARTICLE
PUBLISHED IN THE
DAYTONA BEACH NEWS JOURNAL

The article leads off with a patient question and then
a physician response (450 words).

Here are some sample questions:

“What exactly is a herniated disc and will pilates help strengthen my
core?”

“What is Ocular reflex?”

“What is a frozen shoulder?”

“What is post-trauma vision syndrome?”

“Insects that sting..wasps, yellow jackets, hornets, bees, and fire
ants...what treatment is needed?”

“What is onychomycosis?”

“What are the new trends in laser technology?”

“How do you avoid food poisoning?”

Questions: Call (386) 255-3321 or 254-4105 or email the VCMS
